

Our ClientConnect® portal makes background checks fast and easy!

With one easy click, you can order a background check and effortlessly track candidates' progress in real-time from our all-in-one portal.

We do our job so you can do yours.

Simplicity and Efficiency

Our user-friendly portal allows you to seamlessly place and track orders, providing real-time updates and detailed annotations.

Risk Mitigation and Compliance

Swiftly request an adverse action letters within the portal and relax knowing you're staying compliant.

Reliability and Scalability

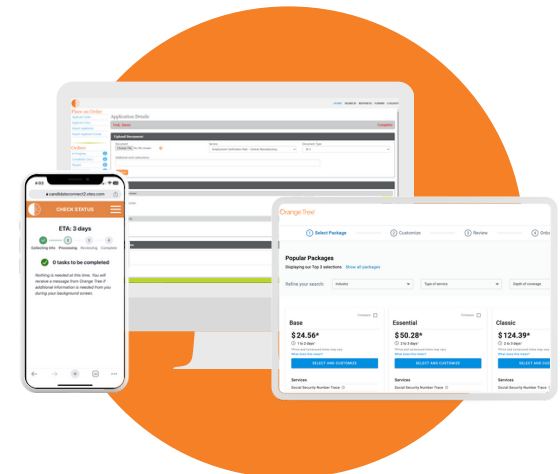

With 24/7 access to updates and reports, you can stay on top of every result, and with a design built for scalability, your account with Orange Tree can grow just as quickly as your business does.

Integrate with Any ATS Provider
